Subject: **2016 OAL DETERMINATION NO. 1 (S)**
(CTU2016-0518-01)
(Summary Disposition issued pursuant to Gov. Code, sec. 11340.5;
Cal. Code Regs., tit. 1, sec. 270(f))

Petition challenging as an underground regulation the California Department of Corrections and Rehabilitation's "Authorized Personal Property Schedule (APPS)" dated April 1, 2014.

On May 18, 2016, the Office of Administrative Law (OAL) received your petition asking for a determination as to whether the "Authorized Personal Property Schedule (APPS)" dated April 1, 2014, incorporated by reference into the California Department of Corrections and Rehabilitation's D.O.M. Section 54030.1 as Appendix A, constitutes an underground regulation. The challenged rule is attached hereto at Exhibit A.

In issuing a determination, OAL renders an opinion only as to whether a challenged rule is a "regulation" as defined in Government Code section 11342.600,¹ which should have been, but was not adopted pursuant to the Administrative Procedure Act (APA).

If a rule meets the definition of a regulation in Government Code section 11342.600, but was not adopted pursuant to the APA, it may be an "underground regulation" as defined in California Code of Regulations, title 1, section 250:

The following definitions shall apply to the regulations contained in this chapter:

(a) "Underground regulation" means any guideline, criterion, bulletin, manual, instruction, order, standard of general application, or other rule, including a rule governing a state agency procedure, that is a regulation as defined in Section 11342.600 of the Government Code, *but has not been adopted as a regulation and filed with the Secretary of State pursuant to the APA* and is not subject to an express statutory exemption from adoption pursuant to the APA. [Emphasis added.]

¹ "Regulation" means every rule, regulation, order, or standard of general application or the amendment, supplement, or revision of any rule, regulation, order, or standard adopted by any state agency to implement, interpret, or make specific the law enforced or administered by it, or to govern its procedure.

You indicate that the Authorized Personal Property Schedule (APPS), dated April 1, 2014, was incorporated by reference into D.O.M. Section 54030.1 and that “it is common knowledge that the Departments Operations Manual is laced with underground regulations.” You also indicate that “if [the APPS] was approved for publication as regulations in Title – 15, then they would not be considered as being ‘underground regulations.’”

The APPS (version dated 2/1/2007) was originally submitted to OAL on July 23, 2007, as part of an amendment to section 3190 of Title 15 of the CCR. It was incorporated by reference into section 3190(b)(2). The file was submitted by CDCR as an emergency by operational necessity pursuant to Penal Code section 5058.3. It was reviewed and approved by OAL and subsequently filed with the Secretary of State on August 13, 2007, effective the same day.

A document incorporated by reference into a regulation becomes a duly adopted regulation. Title 1, section 20, states at subdivision (e):

Where a regulation which incorporates a document by reference is approved by OAL and filed with the Secretary of State, the document so incorporated shall be deemed to be a regulation subject to all provisions of the APA.

The October 1, 2013 version of the APPS was also adopted in an emergency rulemaking by operational necessity. It was incorporated by reference into section 3190 (b)(2) of Title 15 of the CCR in a file submitted on December 24, 2013. The file was reviewed and approved by OAL. The regulations were filed with the Secretary of State on January 8, 2014, and became effective the same day they were filed with the Secretary of State.

A Certificate of Compliance for the emergency rulemaking filed January 8, 2014, was timely submitted by CDCR to OAL on June 16, 2014. The Certificate of Compliance certified that CDCR complied with Government Code sections 11346.2 to 11347.3, inclusive. The Certificate of Compliance adopted the April 1, 2014, version of the APPS. It was likewise incorporated by reference into section 3190(b)(2). The entire file was reviewed and approved by OAL on July 22, 2014, and filed with the Secretary of State that day, effective on filing. Therefore, the amendments to section 3190 of Title 15 of the CCR, including the Appendix containing the April 1, 2014, version of the APPS, was duly adopted pursuant to the APA. A regulation that is duly adopted pursuant to the APA is not an underground regulation.

For the reasons discussed above, we find that the rule challenged by your petition is not an underground regulation.²

² The rule challenged by your petition is the proper subject of a summary disposition letter pursuant to title 1, section 270 of the California Code of Regulations. Subdivision (f) of section 270 provides:

(f)(1) If facts presented in the petition or obtained by OAL during its review pursuant to subsection (b) demonstrate to OAL that the rule challenged by the petition is not an underground regulation, OAL may issue a summary disposition letter stating that conclusion. A summary disposition letter may not be issued to conclude that a challenged rule is an underground regulation.

(2) Circumstances in which facts demonstrate that the rule challenged by the petition is not an underground regulation include, but are not limited to, the following:

(A) The challenged rule has been superseded.

(B) The challenged rule is contained in a California statute.

(C) *The challenged rule is contained in a regulation that has been adopted pursuant to the rulemaking*

The issuance of this summary disposition does not restrict your right to adjudicate the alleged violation of section 11340.5 of the Government Code.

provisions of the APA.

(D) The challenged rule has expired by its own terms.

(E) An express statutory exemption from the rulemaking provisions of the APA is applicable to the challenged rule.
